RE: Annual Assessment Update for 2022/23

Just as in previous years, I will plan to compile information about undergraduate program assessment after the end of Spring semester. Programs can use the attached Annual Assessment Update form or complete the form online at [https://uiowa.qualtrics.com/jfe/form/SV\\_1M0arI5A6S0yj9c](https://uiowa.qualtrics.com/jfe/form/SV_1M0arI5A6S0yj9c)

Please send a copy of the Update by email or using the online form by the end of June.

Copies of your program's assessment updates from previous years can be found online on the Assessment Exchange site: <https://fmswebprod.iowa.uiowa.edu/fmi/webd/AssessmentExchange>. After accessing the site, select the Departments tab and navigate to your program. If you are accessing the site from off campus, you may be asked to log in with your Hawk ID.

Campus reports compiling undergraduate program updates for previous years can be found online at <https://assessment.uiowa.edu/reports-and-surveys#Outcomes>.

Please let me know if it would be helpful to consult on program-level outcomes assessment plans, or if you have other questions about the Annual Update process.
