Budget Request:

Year (FY)	Hardware	Software	Other	Salaries	Total
_____	\$_____	\$_____	\$_____	\$_____	\$_____

Brief description of proposal:

Please attach the following items (in order) to this cover sheet:

Narrative (1-2 pages maximum) – The proposal narrative must address the following:

- Off-cycle requests require urgency. Address why this cannot be submitted during the normal funding cycle.
- State the general purpose of the request and the educational needs to be addressed.
- Describe the role of the requested project in teaching.
- What specific courses will benefit from the project? Why is the project important for these courses?
- Describe course frequency and student enrollment based on records or projections.
- How will it benefit undergraduate students?
- Explain why available resources cannot meet this need.
