POSTDOC PROFESSIONAL DEVELOPMENT EVENT

Postdoc Future Success Panel Discussion: How To Be Competitive for Faculty Positions or Careers in Industry

Tuesday, April 28th at 3:30pm, EMRB Atrium

All postdoctoral researchers are invited to attend a panel discussion with decision-makers hiring faculty members or professionals in industry. Come hear how to be competitive in the job market and what hiring managers and/or recruiters are looking for. Pizza and soft drinks will be provided!

Panelists:

- **Ellen Vander Bleek, Account Manager for Sciences and Healthcare, Actalent Services**
- **Garrett Rettig, PhD, Senior Director of Product Development, Integrated DNA Technologies, Inc.**
- **Tina Tootle, PhD, Departmental Executive Officer, Department of Biology, University of Iowa**

Events in this series are sponsored and organized by:

College of Engineering; College of Liberal Arts & Sciences;
Holden Comprehensive Cancer Center; Iowa Neuroscience Institute;
Graduate College; University of Iowa Postdoctoral Association
